

WE CAN WORK TOGETHER TO FULFILL HIS MISSION...

Pray, Go and Give ...it's as simple as that! Urban Impact is looking for churches to partner with us and support our mission.

PRAY

Nothing we do will ever be a success if we are not firmly backed by prayer. Pray for spiritual power to carry out God's mission in Pittsburgh's toughest communities.

GO

Use Urban Impact as a sending entity where volunteers can work with kids in various programs, help at events or aid our administrative staff. Encourage your youth to check out our missions-centered programs/events and internship opportunities.

GIVE

Make Urban Impact a part of your church's missions budget; encourage members of the congregation to give to us either directly or through United Way.

We are firmly committed to good stewardship of funds entrusted to us by our friends and donors. We promise to use your gifts wisely and effectively in Christ's name.

"At Urban Impact Foundation, we are committed to making a difference for the Kingdom of God in our city and around the world. We believe that making an impact starts right here in our neighborhood on Pittsburgh's North Side. Our hope is to see God transform our community one person, one family, and one block at a time; and in turn raise up Christ-like leaders who will change the world."

Church Missions

Your church can partner with us to support God's vision for the Great Commission in the city of Pittsburgh.

CHANGING LIVES
ONE PERSON, ONE FAMILY, ONE BLOCK
AT A TIME

HOW YOUR CHURCH CAN PARTNER

The mission of Urban Impact is to do our part in fulfilling the Great Commission by providing ministries which bring the whole gospel to the whole person in the context of the whole community. By working together, we can make disciples who change the world!

Ministry Partnerships

Our desire is to provide opportunities for youth in your church and surrounding neighborhood to participate in, as well as discipleship activities and programs that you may not currently offer.

Global Impact — A one-day event devoted to exposing youth to the call of God on their lives and motivating them to fulfill the call that same day through interactive learning experiences and hands-on service and ministry opportunities.

Called to Serve Conference — A weekend conference that serves as a follow-up to Global Impact and focuses on helping youth explore God's calling to ministry & missions. Seminars, workshops, and worship experiences assist in raising up the next generation of leaders.

Urban Impact Experience — A week-long urban missions event where middle & high school students learn, on a small scale, what it is like to commit to urban ministry.

Internships — opportunities for college and post-college students to serve as leaders primarily working with children and youth in the inner-city.

- Support a Ministry Associate — our direct ministry staff raise support to cover their salaries.
