GLOBAL IMPACT

RETRAD

This year we are celebrating two things that we need your help for:

1. Youth leaders and volunteers in your group who attended Global Impact as students
2. Your mission trips that made a Global Impact over the past year

Please help us in doing this by doing three things:

1. Writing the names of any volunteers or leaders in your group who will be attending Global Impact this year and the year they attended in the space below
2. If possible, email us a picture of those leaders and volunteers to ray.abel@urbanimpactpittsburgh.org
3. Please email or include a CD of pictures that you took during your mission trips over the past year—we will use these in the Global Impact service this year!
