Summer Day Camp Staff

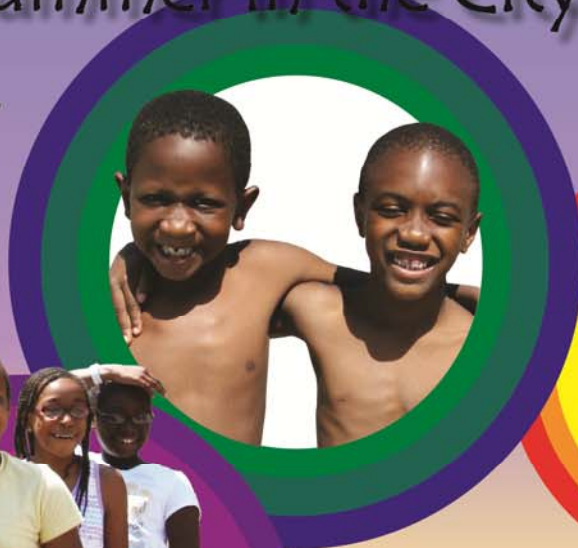

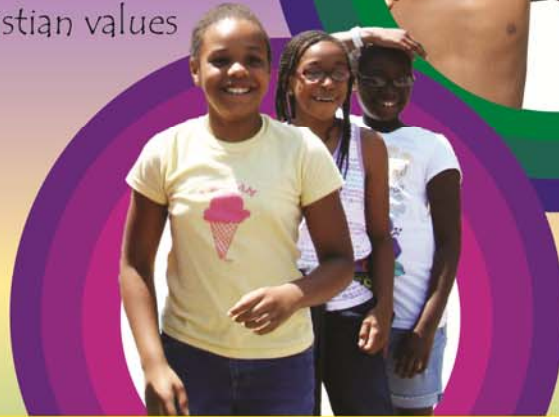

CHANGING LIVES ONE PERSON, ONE FAMILY, ONE BLOCK AT A TIME

During Your Summer in the City You will Help Urban Youth...

Grow Spiritually...

In Grades 1-5:
We Build a biblical foundation

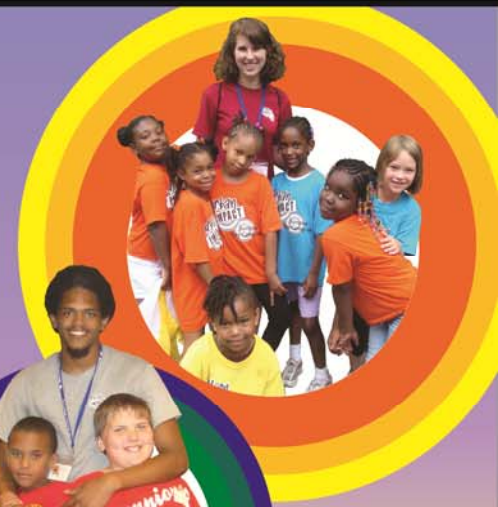

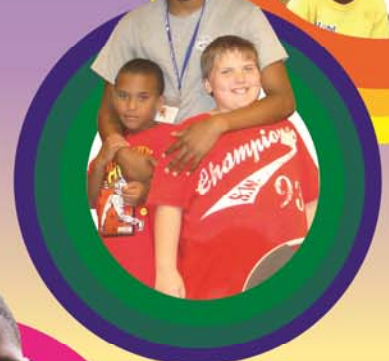

In Grade 6:
We focus on discipleship
and Christian values

Build Relationships...

We spend 40+ hours a week with campers which provides many opportunities to build relationships.

In the classroom, in the park, or on field trips there are many opportunities to help children improve social skills.

Improve Academically...

We administer math/reading assessments at the beginning and end of camp.

Statics show that We keep children from regressing in math and reading during the summer.

Many campers show significant improvement.

Our ministry serves the urban families on the North Side of the city.
